THE Spring seems to have come, the flowers are in bloom, the birds sing out their lay, but the wise will do well to remember that there still awaits us, dogwood winter, blackberry winter and several other kinds of winter that will make the now irksome flannel shirt feel mighty good to be next to.

THE opening of Spring and Summer dry goods, notions and novelties at John P. Jones' yesterday and to-day has attracted the attention of ladies from all sections of the county. The store is beautifully decorated, the stylish goods are tastefully displayed and the army of salesladies are untiring in their efforts to make all callers glad they came.

THE crowd at Liberty court yesterday was hardly up to the average and business generally was dull. The docket for this term is the lightest in years and the lawyers look blue over the prospects of getting rich during the April term. The only murder case is that of Elliott for killing H. W. Hatter and it will likely be tried. There is considerable sickness in Liberty. Mr. C. F. Montgomery and wife and Mr. W. D. Stagg being among the number. EGGS.—Mrs. W. C. Shanks has had excellent success with her chickens as the following will show: Since Jan. 1, she has gotten 284 dozen eggs from her 100 hens, a great many of which she has sold at 20c. During the month of March she gathered 2,315 eggs, an average of about 77 per day. From this it will be seen that most of her hens are doing full duty.

IN FOR FORGERY.—Tom Evans, colored, who forged Ed Wilkinson's name to a check for \$1 and got it cashed at Penny's Drug Store, was arrested in Somerset and Policeman Sam Morrow brought him here Sunday and turned him over to Jailer Herrin. The chances are that Thomas will spend several years in the penitentiary for his efforts at imitating Mr. Wilkinson's penmanship.

THE Lexington Paper Co. on Friday filed articles of incorporation in the office of the county clerk, says the Leader. The incorporators are W. W. Withers, of Stanford; H. C. Thompson, of London, and C. C. Sink, of Lexington. The amount of capital stock is placed at \$10,000, divided into 100 shares of \$100 each. HOLTZCLAW.—After a long illness Jas. N. Holtzclaw died of consumption Sunday and was buried in the Lancaster cemetery yesterday afternoon after services at the Baptist church here by Rev. O. M. Huey. He was nearly 27 years old and had been a strict member of the Baptist church for about 10 years. Mr. Holtzclaw was a quiet, kind and honorable young man and his untimely death is greatly regretted by his many friends and all who knew him. He was a patient sufferer and ever considerate of those who tenderly cared for him. A wife, who is a daughter of Mr. and Mrs. W. H. Underwood, survives the splendid young man and in her loss she has the undivided sympathy of the community.

MR. A. C. DUNN, supervisor of pikes, would be very glad if those living on the turnpikes would come to town Monday next and bid on the contracts to be let for keeping the pikes in repair. Seems to us it would be to their interest to take some of the contracts nearest to them.

IN the republican primary in Casey Saturday W. G. Raines was nominated for county judge by 319 majority. W. C. Cundiff for clerk by 419, Lincoln Wells for sheriff, 410, J. C. Lay for county attorney, 389, John Brown for jailer, 39, J. C. Godbey for assessor, 42, Henry Thomas for school superintendent, 142, and W. R. Combest for surveyor. There is some dissatisfaction over the ticket nominated and many republicans declare they will help the democrats defeat certain of the nominees.

WARREN.—When the spirit of Mrs. Susan M. Warren returned to the God Who gave it, the life of one of the oldest and best women of this section became a memory. After a week's illness of pneumonia Mrs. Warren died at the home of Mr. I. M. Bruce at 2:30 Sunday afternoon. She was conscious up to the very last and having more than half a century ago made peace with her Maker, death had no fears for her. Deceased was born Jan. 22, 1820, and had lived in this section since. She was probably better acquainted with the earlier history of Stanford than any other person here and it gave her pleasure to talk about the pioneer period of her home town. She leaves a son, Mr. R. V. Pardum, of Bruner, Mo., her daughter, Mrs. I. M. Bruce, having died about 15 years ago. As stated above Mrs. Warren gave her heart to God many years ago and had since been a consistent member of the Presbyterian church. She was an exceedingly kind-hearted, good woman and her warmest friends were those who knew her splendid traits of character best. She was spared many years more than the allotted time on earth, but her kindred and friends were yet unwilling to give the good woman up. May she receive in the great beyond the reward promised a righteous and well-spent life. After short services at the home by Rev. Gilbert Glass yesterday afternoon the remains were laid to rest in Buffalo cemetery.

#### DIGNITY DARE

No. 1982, Vol. 5, A. S. H. R.

Mahogany bay, black points, white only on left hind foot, 9 years old, 15 3/4 hands high, weighs 1,200 pounds, strong, flat bone, heavy mane and tail, good back, with long, cranes, tapering neck, well set in high-mounted shoulders, a saddle horse head and ear on him, a model under halter, always wears blue string in model rings, wonderful style in harness, a show horse sure. When one year old wore all honors in his class wherever shown; also the blue tie in sweepstake harness rings at same age. When a 3-year-old he was shown 14 times and wore 13 blue strings; has never been defeated in fancy harness rings; has always been the victor in stallion stake ring, as a breeder, when shown with three or more of his get, for size, style and general conformation, and for all purposes. He is a saddle horse with five distinct gaits, fast line acting racker, good in two walks and a nice looper; very positive in his trot under saddle and in harness, great all around action, as is required for an up-to-date sire of high priced sale horse for saddle or harness. He is a sure enough harness horse, graceful, stylish and fast; can show elights in 18 1/2 seconds, a 2:25 gait, with but little handling; did this last fall one year ago, after serving 91 mares in the spring. He is possessed of wonderful nerve and speed enough to get a trotter for track use or gentlemen's roadsters; large, handsome, stylish, heavy and strong enough to get carriage horses with a kindly disposition for all purposes of a family horse. He is the horse to sire parkers, stylish, graceful, substance and docility. It has been given up by horsemen that he is one of the most uniform breeders in Kentucky. He types his colts after himself; has never sired a sorrel colt. The most profitable horse for the farmer and small breeder to produce is the horse which serves the widest range of purposes well. His colts are show colts; of the very highest type, blue string winners from the oldest to the youngest.

Pennock—Sired by Chester Dare 19 N. S. H. R. he by Black Squirrel 58, he by Black Eagle 74, he by King William 67, he by Washington Denmark 64, he by Gaines' Denmark 61, he by race horse Denmark, F. Grain fed if desired at reasonable rates. Mares entrusted to me will receive my personal attention, but I will not be responsible for accidents or escapes. Phone in residence at Hustonville, Ky.
